APPLICATION

Honorable James H. Welsh
Commissioner of Conservation
Louisiana Office of Conservation
P.O. Box 94275
Baton Rouge, LA 70804-4275

Re: Robulus Zone, Reservoirs A, B and C
Southwest Lake Boeuf Field
Lafourche Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **Dominion Exploration & Production, Inc.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of orders pertaining to the following matters relating to the **Robulus Zone, Reservoirs A, B and C**, in the **Southwest Lake Boeuf Field**, Lafourche Parish, Louisiana, to-wit:

1. To establish rules and regulations and create four (4) drilling and production units for the exploration for and production of oil and gas, such units to be designated ROBU RA SUA, ROBU RB SUA, ROBU RC SUA and ROBU RC SUB;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed units, with each tract sharing in unit production on a surface acreage basis of participation;
3. To designate the Dominion Exploration & Production, Inc. - Grand Coteau, LLC, et al No.1 Well as the unit well for ROBU RA SUA;

4. To designate Dominion Exploration & Production, Inc. as the unit operator for ROBU RA SUA;
5. To provide that any future wells drilled to the Robulus Zone, Reservoirs A, B or C, should be located in accordance with the spacing provisions of Statewide Order No. 29-E;
6. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoirs by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoirs change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation; and
7. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

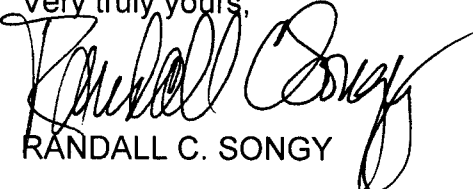

The Robulus Zone, in the Southwest Lake Boeuf Field, Lafourche Parish, Louisiana is hereby defined as being that oil and gas bearing zone encountered between the depths of 15,088 feet and 16,393 feet, electrical log measurements, in the Dominion Exploration & Production, Inc. – Grand Coteau, LLC, et al No. 1 Well, located in Section 72, Township 16 South, Range 17 East, Lafourche Parish, Louisiana.

A conference to discuss the proposed application and any opposition thereto was held on July 12, 2007, at the Onebane Law Firm, 1200 Camellia Blvd., Suite 300, Lafayette, Louisiana, (337) 237-2660. Randall C. Songy, attorney for the applicant, opened the conference with a brief discussion of the Rules of Procedure. Bill McAlister, a geological consultant for the applicant, explained the unit proposal and the bases therefore, and answered questions. The conference was then adjourned. No counterplan was presented at the conference; thus, no opposition to this unit proposal is anticipated at the hearing.

Pertinent data relating to the proposed application can be obtained, AT THE COST OF THE REQUESTING PARTY, by contacting David Comeaux with Leon E. Comeaux & Associates, P.O. Box 53922, Lafayette, LA 70505, (337) 233-9839.

There is attached hereto and made a part hereof a plat outlining the proposed units and a list of the names and addresses of the interested parties to whom this unitization proposal is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.
